Quick launch

Upload data
Upload or drag and drop spreadsheets, csv files, and other data sources.

Prepare data
Use data modules to clean and connect data from multiple resources.

Exploration
Quickly find unbiased answers by identifying trends in your data with data exploration.

Present data
Create sophisticated, multi-page, multi-query dashboards, reports, or stories.

Team Member 1: Nanthini M

The screenshot shows the IBM Cognos Analytics with Watson dashboard for user Nanthini M. The top navigation bar includes the IBM logo, the product name, a search bar, and user profile icons. A maintenance notification banner is present. The main content area features a welcome message, a 'Watch video' button, and a 'Take a product tour' button. A sidebar on the right contains user information and navigation links. Below the main content, a 'Quick launch' section offers four options: Upload data, Prepare data, Exploration, and Present data, each with a brief description.

Team Member 2 : Sneha A

The screenshot shows the IBM Cognos Analytics with Watson dashboard for user Sneha A. The interface is identical to the one for Nanthini M, featuring the same navigation bar, maintenance notification, welcome message, buttons for video and tour, sidebar with user profile and settings, and the 'Quick launch' section with four data-related options.
